### NEGRO EXPOSITION IN JULY TO BE HELD IN RICHMOND

#### The Great Exposition and Celebration in Behalf of the Negro of This Country.

There will be held in the city of Richmond, Va., from July 5 to 27 a mammoth exposition and celebration in commemoration of the fiftieth anniversary of the emancipation of the negro, under the auspices of the Negro Historical and Industrial association.

For this purpose, the United States government, by an act of congress, has appropriated fifty-five thousand dollars. While this amount was a small item, it carried with it the national endorsement to hold this exposition. As a further evidence of this fact, President Wilson and his cabinet will visit the exposition either on the opening or some other day.

Large exhibits will be sent to Richmond from nearly every industrial school in the country. The colored people, as a unit are preparing a collection of specimens of our progress in fifty years. The nation expects to see at this exposition the best evidences of thrift and progress of the negro, and should this event fall short of the expectations of the government and other spectators, it would do more to retard the race than could be overcome in a generation. The white people are much interested in the success of this exposition and are working to make the exposition an event for which the nation will be proud. Tens of thousands of them will visit the exposition to commend or condemn the strides of the negro in the last fifty years.

The philanthropists, who in the past have contributed their millions, will be there, and should the negro make a poor showing, it would, in many instances, discourage those who are contributing to the uplift of the race. It is hoped, therefore, that every member of the race will do something toward making this the desired success. They should take personal interest in this exposition, not only in sending splendid exhibits of every kind worthy of demonstration, including agriculture, but they should visit the exposition by the tens of thousands. They should come from every section of the country. This is not for any individual or body of individuals, but for the benefit of the entire race. It is a race institution. It must be a success; for a failure will retard the race.

This exposition will be held in a beautiful park of more than 100 acres of land enclosed, with a large number of buildings and a pavilion with a capacity to accommodate 50,000 people, and a splendid race track. The grounds will have all of the modern improvements, and is one of the best exposition sites in the country. It is right in the city. One 5 cents street car fare will be sufficient to reach the grounds from any section of the city. All of the railroads and steamboat lines will furnish reduced rates to en-

able everybody to attend without any financial strain.

The colored people have established city headquarters at 9 West Leigh street for the purpose of locating homes and accommodations for the visitors. Board and lodging can be secured at the same price as if there were no exposition. The committee in charge of the headquarters has notified the people that no extra charges will be permitted on account of this exposition. If any should attempt this the committee will boycott them, and they will not be permitted to receive any guests during this celebration. Consequently, it will be plainly seen that every safeguard will be thrown around the visitors to this city during the exposition.

To prevent a conflict with the Chicago exposition, we are closing ours in July. Do not forget the date—July 5 to 27.

For further information, write Col. Giles B. Jackson, president, the Negro Historical and Industrial association, 511 North Second street, Richmond, Va.

#### News From Smyrna.

To The Herald and News.

This is a little late, but "better late than never."

It has been, in some respects, an eventful week in the Smyrna section. Two marriages at the manse last Sunday evening, one white and one colored couple—all doing well, we hope. Tuesday afternoon Jove shook a few hail stones down and wind prostrated three oaks in the grove, furnishing the parson with some fine wood. "All wind that doesn't blow good to somebody." Many thanks.

Wednesday night the teachers and patrons of Smyrna school gave a fine entertainment at the new school house enjoyed by a large attendance. The teachers and patrons have worked hard and faithful to bring the educational facilities of the community up to the front and they have succeeded admirably.

Very little rain here up to Friday, when this section was visited by a slow-falling and deeply-soaking rain, just the kind to do incalculable good. Thanks again.

Mr. V. C. Wilson returned from Greenville on Saturday, where for two weeks he has been serving as a juror in the federal court.

After the closing of the school on Wednesday night, the teachers, Misses Chappell and Agnew, will return to their homes for a vacation.

Mrs. H. W. Boozer, "Aunt Lucy," as she is familiarly known, continues to suffer from neuralgia in her head, which has seriously affected one eye. Mr. and Mrs. Boozer are both ripening with age, having celebrated their golden wedding several years ago.

After a woman has told a third of the story men can guess the rest.

After a man has been married two weeks he can readily understand why love is blind.

### MOTHER'S DAY.

The observance of the second Sunday in May as "Mother's day" is a beautiful custom and the little white blossom worn yesterday by so many seems, in its purity and fragrance, to hold the very essence of the sentiment.

At Central Methodist church, in the evening, the services were made appropriate by the singing of old familiar hymns, which have been sung by so many mother voices, and a most tender and beautiful picture drawn by the pastor, Rev. Mr. Dibble, on all that was meant by the sacred name of "mother." He based his discourse upon the loving thoughtfulness of our Lord, when from the cross He strove to comfort His own sorrowing mother, and His "beloved disciple" by the gift of each to the other as Mother and Son. For this tender consideration for the mother still spared to their home he pleaded, while many hearts were touched by the stirring sweet memories of those who, having passed from our sight still influence our lives.

The public is cordially invited to the Memorial day exercises at the opera house Tuesday morning, May 11, at 11 o'clock, at which time and place Dr. W. S. Currell, president of South Carolina university, will deliver an address to the veterans.

Benediction by Rev. F. E. Dibble. Memorial services for Confederate dead will be held at Rosemont cemetery Sunday afternoon, May 9, at 6 o'clock. These services will consist of a short tribute by Rev. F. E. Dibble, a hymn and prayer, after which flowers will be placed on the graves of Confederate dead.

### Kidney Trouble Often Causes Nervousness and Heart Trouble

Two years ago I was badly run down, not able to do any work; suffered from nervousness, heart trouble, kidneys and bladder in bad shape; no appetite, unable to do any work; and since using six bottles of Dr. Kilmer's Swamp-Root, I feel fine; am in excellent health and can do most any kind of light work. Since using the Swamp-Root I have been relieved of all the above troubles. I cheerfully give the above testimony, and hope others may be benefited. Very truly yours,
